MELLEMFOLKELIGT SAMVIRKE actionaid

CAMP NAME **CODE: MS05-2026**	**Camp N 2026**
CAMP TYPE	• Children • Social project • Cultural • Language camp
DATES	**Arrival:** Date: 06.07.2026 Time: **Departure:** Date: 24.07.2026 Time:
AGE GROUP	20 – 65
NUMBER OF VOLUNTEERS	6
VOLUNTEERS WITH DISABILITIES	Unfortunately, we cannot guarantee that the camp has barrier-free accessibility due to its location.
LOCATION	Narsaq, Greenland
ORGANISATION	Greenlandic Children conducts social activities in Greenland and Denmark for Greenlandic children and young people in vulnerable life situations. We work to ensure that no Greenlandic child grows up in poverty, abuse, or neglect. Children must be heard and involved, and many more Greenlandic children and young people must have an education. We emphasize that our efforts are established in close cooperation with local authorities, organizations,

	professionals, children, and young people, and with respect for local needs, wishes, culture, and language. Greenlandic Children currently has ten ongoing projects in Greenland and Denmark and is present in all Greenlandic municipalities, as well as in Copenhagen, Aarhus, Aalborg, Esbjerg, Randers and Vejle. The organization has thirty employees and more than one hundred volunteers. The projects are financed by public funds, foundations, support, and sponsorship from companies as well as private members and contributors.
WORK	**Program and activities:** Greenlandic Children wants Camp N to offer the kids and youngsters in Narsaq a fantastic summer with a variety of fun and creative activities. The volunteers will decide and plan which activities to offer during the camp. The first days of the camp coincide with Asivik, which is a local cultural and political festival. So, the activities for the first three days of the camp will take place as part of the Asivik festival. You should expect long days as the volunteer group typically starts the workday at 10.00 and continues till after dinner in the evening. A typical day will consist of a morning meeting, preparing for the activities, activities, cleaning up after activities, dinner, and an evaluation meeting. You are off on Sundays.
ACCOMMODATION AND FOOD	We expect you to stay in a shared room with other volunteers of the same sex. Shared kitchen and bathroom facilities will be available. We will divide the volunteers into cooking and cleaning teams. The group is responsible for shopping, cooking, cleaning, etc.

	All groceries are transported by ship. Therefore, you should expect a limited variation and be able to adapt to these local conditions. Most meals in Greenland are based on meat and fish. ALCOHOLIC BEVERAGES OR ANY KIND OF INTOXICANTS WILL NOT BE ACCEPTED AT ANY TIME OR CIRCUMSTANCE. VIOLATION OF THIS RULE WILL LEAD TO IMMEDIATE EXCLUSION FROM THE CAMP. Telephone coverage might be scarce, and the internet connection might be poor. The Work Camp host will create a private Facebook group for the volunteers, and this will be the main communication platform. Therefore, you are required to join the group as part of the preparations.
LOCATION AND LEISURE	**Narsaq** is a small town in southern Greenland, located on the shores of the Tunulliarfik Fjord. It is surrounded by mountains, glaciers, and fertile valleys, making it one of the greenest areas in Greenland. The town is known for its strong fishing and sheep farming traditions. Narsaq is also an important center for geology and mineral research, as the area is rich in unique minerals. By January 1st, 2025, there were 1257 inhabitants in the town, of which 278 were under the age of 18, corresponding to 20,5 % of the population. **Clothing:** The average temperature in Narsaq in July is 10 degrees Celsius. Therefore, it is good to have layers of clothing (inner layers preferably of wool). **Language:** It is required that you speak English.

	The main languages in Narsaq are Greenlandic and Danish, but many children speak English as well.
SPECIFIC REQUIREMENTS	To participate in this Work Camp, we require you to provide: **- A clean criminal record in English.** **- Travel Insurance in English** **- A motivational letter.** This letter will be received by our Work Camp host, who will determine whether you will be accepted to the camp. Please be aware that there is a response time of five working days. The Work Camp host will also conduct an online interview with an applicant before acceptance. In the application, you must answer the following questions: - How can you contribute to the Camp? - What creative, sporting, and outdoor activities will you be able to lead and initiate, and which will you be able to participate in? - What experience do you have with volunteering? - What experience do you have with working with children and young people?
TRAVEL INFO	**Nearest airport: Copenhagen Airport** **Nearest bus/train station:** Copenhagen Airport **Meeting point and Time:** We meet in Copenhagen the day before departure to Greenland. Greenlandic Children will pay for the volunteers to stay the night in a hostel. We travel by plane from Copenhagen to Nuuk. From there, we travel by a smaller plane south to Qaqortoq, and from there by helicopter or boat to Narsaq.

	The specific meeting time and place will be in the info sheet after acceptance. Travelling in Greenland is often made difficult by the weather, and it is quite possible to be delayed. We recommend you consider this when booking your return flights from Copenhagen. Greenlandic Children will arrange for one night's stay in a shared hotel room when returning from Greenland. The Association for Greenlandic Children will arrange your flight ticket from Greenland to Denmark. You will have to pay the Association for your ticket. Since the price of tickets is very high, and some volunteers already have an added travel expense for flying to Copenhagen, it has been decided to base the price of tickets on your departure country: 4000 DKK (approx. 540€) if you come from outside of Europe. 5000 DKK (approx. 670€): if you come from Europe (Russia incl.). 7000 DKK (approx. 940€): if you come from the Nordic Countries: (Denmark, Sweden, Norway) More detailed transportation information will be sent to you personally and given in your info sheet after acceptance.
