PARTNER

ELIX will organize for the sixth consecutive year this type of workcamps. The workcamps aim to support families that encounter difficulties, by providing their children the opportunity to spend a quality summer time at school through creative activities.

WORK

Volunteers participating in the workcamp will host children (6-12 years old) during their free summer time and organize a fun and diverse daily schedule. Volunteers will support the educational activities for children by helping the pedagogue to implement, such as, athletic activities, workshops, artistic events, theatrical plays, cross cultural education and much more. Moreover, volunteers will have the opportunity to propose and implement their own activities with the support of the pedagogue.

Volunteers will work with children from Monday to Friday from 8:00H to 14:30H. The first Sunday of the workcamp will be a short training and introduction necessary for the following weeks. Some afternoons will be used to prepare activities for the kids for the following days. The daily activity program for the children will be fixed by a team of pedagogues and introduced to the group of volunteers on the first Sunday of the workcamps. The pedagogues will be guiding the group and be present throughout the programme.

ACCOMMODATION & FOOD

Volunteers will be accommodated in a primary school in the town of Mandra. The accommodation is basic but adequate; volunteers will sleep on the floor in the classrooms of the school. Sleeping bags and carry mats are necessary. There are toilets, showers (no hot water) and cooking facilities at the school. No internet Wi-fi. Air-condition is not available in the school, but there will be fans. Everyday two different volunteers from the group, in shifts, will be responsible for maintaining the group accommodation place clean, as well as for the preparation of all the meals for the group of volunteers.

LOCATION & LEISURE TIME

Mandra is a town in West Attica, located 22 km away from Athens and a population of 12,888 inhabitants. The town is one of the most important centers in the region with an economy based in agriculture and livestock production. In the center there is an ancient monastery that is famous for its miraculous properties and the municipality organises cultural events like cinema, language lessons and other leisure activities.

Mandra is situated close to the Saronic Gulf coast and the city of Elefsina, famous for its ancient ruins and cultural life. One excursion will be organised as part of the workcamp daily activities with the children.

Volunteers will discuss the rest of their free time with their camp leaders; together they are going to organize excursions and visits around the city.
