

## Tallinna Kihnu Kindergarten

Our kindergarten is located in the capital of Estonia, Tallinn, and offers preschool education to 1,5 up to 7 years old children. It is opened during workdays (Monday to Friday) from 7 am to 19 pm.

Our house is only 3 years old and we have 12 groups with 45 personnel and 250 children. We are estonian kindergarten but we also offer opportunity for non estonian children to learn estonian language in language immersion groups.

Educational activities are carried on in the mornings and after a silent hours according to daily scedule. Activities are planned inside the house but we also do lot of outside activities. Three times a day ise served warm food for children. From 1 to 3 pm are silent hours where children can sleep or rest. After that we have traings or music-play rounds, even language lessons. There are also parties and events for different public and national holidays.

Volunteer who is joining our team is going to have the opportunity to work with children. He/she is one of the team member and team work is very important for us. As in every group there are children who will need attention and individual approach then we are seeking that the volunteer is a teacher's helper who will work with children who need extra support and attention doing the daily routines. Volunteer is going to have opportunity to take part in planning process, activity process and see how teatcer prepare for activities and help her. Also learn how to cope with children up to 24 individuals. There is a possobility to teach something to the children or personnel what the volunteer are good of, share his/her knowledge :do playing or music or singing or art lessons.
