

## CALL FOR PARTICIPANTS

KA 1- Learning Mobility of Individuals – Seminar

# “Let the youth play the lead!”

From the 20<sup>th</sup> to the 27<sup>th</sup> January 2019

FRANCE

---

### PROJECT

This **seminar** aims to gather different youth workers in order to share about the **youth inclusion** concepts in different socio-professional contexts.

All participants will put into practice methods of **theatrical expression**. The main objective of this seminar is to consider **cultural practice** as a **socialization** tool for young people.

Each workshop will be lead by **theatrical professionals**.

---

### OBJECTIVES

- To allow the **intercultural meeting** between partner organizations and participants
- To develop and acquire **theatrical expression skills**
- To understand the value of using theater for the **autonomy** and **social** and **cultural awareness** of young people
- To integrate methods of theatrical expression in your **professional practice**

- To develop knowledge about **group dynamics** and issues related to the integration of young people in the society

## PARTICIPANTS

France and 6 countries

Each partner organization should send **2 representatives** who are involved in activities for **young people** (mobility, education, Youth project, employability...) in order to practice with them.  
2 participants by country and 4 french people so **16 participants** in total.

## PRACTICAL INFORMATION
