| <p>ORGANIZATION</p> | <p>Nibe Festival is the 6. Largest music festival in Denmark and started back in 1985. It includes music of all sorts, but mostly Pop and Rock spread out on more than 100 concerts during the entire festival. There are 5 different stages which have different target groups.</p> <p>The enthusiasm, team spirit and good humor is the main reason why people return year by year to volunteer and work at the festival. We work hard to make an exceptional festival for our guests - but we have a lot of fun and great times doing it. The Festival is arranged by 4 employees with the overall responsibility, and 4000 volunteers, who are aged from 13 to 70 years of age.</p> <p>During the Festival, 15.000 guests daily come to visit the forest, which makes Nibe one of the most intimate and beautiful music Festivals in Denmark. It is located out in a forest called Skal Skoven which gives a real special vibe and it is only 500 meters from downtown Nibe. Our guests come in all categories, from teenagers to grandparents bringing their grandchildren, and we are proud to offer a Festival that all of these people enjoy and attend simultaneously.</p> <p>Nibe Festival is a nonprofit organization, and all profits are donated to local initiatives and to charity.</p> <p>Nibe Festival Webpage: http://nibefestival.dk/forside.aspx</p> <p>It is the third consecutive Work Camp by Nibe Festival, all with great success.</p> |

| WORK | <p>The work will take place before and after the Festival. We will be working in teams with building, putting up and taking down fences, tents, festival-bars, floors and much more - properly instructed by the practical coordinator.</p> <p>There will be a lot of other volunteers which makes it a wonderful place to socialize, make friends and get that special connection with peers that might last a lifetime. Remember that we are “off duty” during the festival and therefore are forced to enjoy ourselves and listen to good music in between work ;)</p> <p>During the four days of the festival you will be able to go on excursions and take a look at Denmark, should you wish so. You are also welcome to stay and experience Nibe Festival and enjoy seeing the result of your work. As a volunteer, you will be provided with access to Festival site for the four days free of charge.</p> |
| ACCOMMODATION AND FOOD | <p>Accommodation: We offer accommodation in new tents with room for two people. We will be sleeping in a quiet area at the festival. You will have to bring your own sleeping madras and sleeping bag and what else you might need for a good night's sleep. Remember to bring warm clothes, as the weather can be cold - especially in the night.</p> <p>Food: The festival will provide food for all participants and you won't have to cook. This includes both before, during and after the festival. Danish food is served. If you are vegetarian, do not eat pork or have allergies let us know and we can make a special arrangement.</p> |

| <p>LOCATION AND LEISURE</p> | <p>The Festival is close to Nibe city and therefore there is a lot of possibilities. Shopping, going to the harbor for a dip, nice cafes. Nibe is also very close to Aalborg, Denmark's 5th largest city with a rich cultural life and lots of possibilities.</p> <p>Please contact us if you have any suggestions about things you want to do or go see - then we'll see if we can work something out</p> <p>You are each expected to give us and the other volunteers a little lecture about your country - may it be a presentation, a language course or anything that provides us with some basic knowledge about you and your culture. You decide how you want to structure it; it just has to last for about 30 minutes. Just be free and creative. Maybe bring some pictures of your country, a small flag(for the tent area and decoration as well!), perform a play, or perhaps you have some sweets to share, recipes (since we won't be cooking, foods, snacks and recipes are always fun to bring), or something else?</p> |
| <p>REMARKS <i>(other information)</i></p> | <p>We will have to work outdoor in different weather, so your clothes might get messy! As we are going to build and take down instruments and different stuff at the festival so remember to bring clothes that is suitable for physical work and different weather situations.</p> <p>English will be the only language spoken. All participants must be willing to speak English, even though being from the same country or having troubles with the English language. Try your best!</p> |
