

CALL FOR PARTICIPANTS

KA1 – Learning Mobility of Individuals – Youth Mobility

« Let's become Green European Citizens ! »

From the 5th to the 26th August 2019
FRANCE

PROJECT

This youth exchange aims to gather different youth in order to share about **ecological citizenship through the responsible consumption**.

Indeed, we think the construction of the tomorrow's world will come together, through citizen initiatives, more responsible and in the general interest. Then, the participants will **develop knowledges about the eco-citizenship and increase the consciousness of the role they would have to play in the society as a green citizen**.

This project will give the tools to allow the participants to become actor by raising awareness and transmitting. The last week will be dedicated to the **theater workshops** with professional company to create a show introducing what they have learnt during the youth exchange.

OBJECTIVES

Through activities, workshops, theater, collective life, visits and environment discovering, the participants will :

- **develop** their consciousness about their way of consumption and their environmental, economical and social impact
- **build** a shared culture about responsible consumption
- **discover** practices and ways to consume, in a more responsible way and act for a better environment
- have the tools to **become actor** in the collective awareness

PARTICIPANTS

This youth exchange will gather **20 youth** from 4 different countries: **Estonia, France, Spain and Turkey**.

Each partner organization should send 4 participants from 15 to 17 years old and 1 group leader.
