about us

Olde Vechte is a non-profit organization, based in Ommen, the Netherlands.

It has been functioning as a training centre for non-formal education, personal development, coaching, social and cultural work for 40 years now.

The Foundation is open to everyone and its vision is to create a world that works for each one of us out of love, care and cooperation.

The project will take place in a group accommodation with a spacious training hall. It is located in a small city Ommen surrounded by nature.

The sleeping rooms can host from 2 to 6 people.

The house will be our home for the entire Exchange which means that we will take care of it by ourselves and clean it daily. Catering will be provided by the Foundation.
