

# SHORT-TERM VOLUNTEERING IN FRANCE

**Join our volunteering project and learn  
about manual work and social work in**

**France !**

**compagnons  
bâisseurs**

ASSOCIATION NATIONALE

## **The project**

Compagnons Bâisseurs is an association that helps people to improve their living conditions by renovating houses.

As a volunteer, you will participate in renovating activities and you will take part in group activities related to housing.

During your stay, our team will help you get used to the activities and the daily life in France.

## **When, and where ?**

You can apply to our project at anytime of the year, and different hosting places will be available according to when you want to come volunteer with us.

Our volunteering opportunities last between 2 weeks and 2 months.

## **Who can apply ?**

Every person between 18 and 30 years old can apply to our projects.

No prior experience in renovation is needed. Any motivated person is welcome !

## Conditions

- **Transport to France** : you will receive money in order to pay for the flight to France and back to your country.
- **House** : during your stay, you will be hosted freely in a house with other volunteers of the association (with your own room), or in a single apartment.
- **Daily allowance** : You will receive an amount to cover your food expenses, as well as pocket money (6 euros a day).
- **Medical insurance** : You will be provided a medical insurance during your stay in order to pay for medical expenses if needed.

## How to apply

Ask your sending organisation to help you follow the application procedure.

If you do not have a sending organisation yet, send us an email and we will look for a sending organisation in your country.

## Contact

For any questions about the project or the application process, you can reach out to our International mobility officer :
