

GLEE IT UP!

18–28 September 2023
Hollókő, Hungary

A youth exchange, where you can experience living and creating in an international community of 30 young people from 6 countries in Europe; discovering how you can use performing arts to bring more joy and fun to your everyday life. Practice how you can deliver your message to the world through performing while learning and having fun together.

WHAT WILL HAPPEN?

In the 10 days we will spend together, we will learn about each other, our cultures, teamwork, and different aspects of performing arts (storytelling, music, dancing, stage presence) through discovering self-expression, co-creation, and joy.

This means there will be many exciting activities and challenges to face where you can create, explore and understand, working in small and big groups with young people from other countries.

Join us to explore and express your inner performer!
