Summary

FabEUlist! is a training course that addresses the topics of inclusion, creativity and digitalization, by incorporating youth workers from all backgrounds in the creation of a short film with budget equipment. Everyone has a story that deserves to be told, but in a sea of voices it can be difficult to be heard; hence why the ability to tell a story effectively is an essential skill nowadays.

In this training course, you will explore the essentials of visual storytelling, to develop communication skills, critical thinking, self-confidence and a sense of initiative.

The training course will be carried out from the 8th to the 15th of October, in Santiago de Compostela, Spain. We are looking for 3 participants from each partner Country.

Some topics covered:

- History of cinema
- Scriptwriting
- Cinematic language
- Basics of editing
- Color theory
