BRAGA, PORTUGAL

- Braga is a city in the far north of Portugal, northeast of Porto. It is known for its heritage and religious events. To the east, the Bom Jesus do Monte complex has a neoclassical church at the top of an elaborate 17-story staircase. In the city centre, the medieval-style Sé of Braga houses a sacred art museum and the Gothic-style Capela dos Reis. Nearby, the imposing Paço Arquiepiscopal (Archiepiscopal Palace) overlooks the Santa Bárbara Garden.
