If you would like to know some info about Hungary before coming here, check the <http://www.hungary.com/> website.

Here is a short quotation from that webpage:

“This small country is one of the oldest European countries, situated in the middle of the continent in Central Europe.

Hungarians speak a language and form a culture unlike any other in the region: this distinctiveness has been both a source of pride and an obstacle for more than 1100 years.

And there is something else that keeps bringing visitors back to us - the legendary Hungarian hospitality.”
