

6-Week-Workcamp-Programme in Germany August-September 2025

Arrival:

individual travel to the first workcamp in Greiffenberg (we recommend booking your travel connection to Berlin and then to travel by train to AngermündeHbf)

Greiffenberg 1. workcamp 03.08. - 16.08.2025

- located near the Polish border
- the old post office of the village will become a meeting point for people
- learn historic and sustainable construction techniques, e.g. carpentry work

Bremerhaven 2. workcamp 17.08. - 30.08.2025

- located at the coast of the north sea
- our project partner WERK will reconstruct a building from 1905 into a modern place for meeting and exchange
- you will break and rebuild walls with ecological or reused material, paint or sand the wooden floors

Gröningen 3. workcamp 31.08.-13.09.2025

- located in the rural area of Saxony Anhalt
- the town of Gröningen wants to save an old half-timbered house in the town's centre
- you will learn to clay plaster and how to restore a historic building in a traditional way

Departure:

individual travel from the last workcamp (we recommend taking the train to Leipzig, Halle or Hannover for further connections)

Get to know North
and East Germany!

Bauorden will pay a subsidy for travel costs of 180€ per volunteer.

Travel between the workcamps is usually by train and organised and paid for by the Bauorden.

In the workcamps there is sleeping accommodation and catering included.

Volunteers are accident insured through the Bauorden during the workcamps. Your own health insurance must be valid in Germany.

All volunteers receive a certificate of participation from the Bauorden.

Contact persons for the volunteers in preparation and during their stay are Julia Dickob and Marion Molitor:
