Nanortalik is the smallest of three towns in the Municipality of Kujalleq.</p> <p>Fishing and catching have long been the main occupation in Nanortalik, but in recent years, occupations such as tourism and mining have grown, as Greenland's only gold mine can be found near Nanortalik. TRAVEL INFO

Nearest airport: Copenhagen Airport

Nearest bus/train station: Copenhagen Airport

We travel by plane from Copenhagen to Narsarsuaq and from there by boat or helicopter to Nanortalik.

Meeting point and Time:

We meet in Copenhagen the day before departure to Greenland. Greenlandic Children will pay for the volunteers to stay the night in a hostel in town.

Since flights to Greenland are very limited, it is essential that everyone flies on the same departure from Denmark to Greenland. To make this easier, the Association of Greenlandic Children will organize and purchase your plane tickets in advance. You will then transfer the cost to them. We will send you an email with the payment details, banking information, and deadline.

The price of tickets is very high, and some volunteers already have an added travel expense for flying to Copenhagen. The Association has therefore decided to base the price of tickets on your departure country

Ticket Prices:

- Outside Europe: 4000 DKK (~540€)
- Europe (incl. Russia): 5000 DKK (~670€)
- Nordic Countries (Denmark, Sweden, Norway): 7000 DKK (~940€)

Example: If you are flying from Italy, you will book your own flight to Denmark, and then pay 670€ for your ticket from Denmark to Greenland.

The specific meeting time and place will be in the info-sheet after acceptance.

Departure:

Travelling in Greenland is often made difficult due to weather, and it is quite possible to get delayed. We recommend you take this into consideration when booking your return flights from Copenhagen. Greenlandic Children will arrange for a night's stay in a shared hotel room when returning from Greenland.

More detailed information about transportation will be sent to you personally and given in your info sheet after acceptance.
