PROJECT MONITORING

Orientation meeting

- There will be orientation meeting after the arrival of volunteers for 5 days at the project site before volunteer start the project with the following aims
- Team Building for new MLTV volunteers, new outgoing volunteers, new VSA members and new local volunteers as well as with local university students in one day call 'Buddy Program'
- Adaptation for new MLTV volunteers in new environment, weather, food, basic culture and language preparation.
- Project preparation orientation week is the preparation week of volunteers to make clear project understanding with the coordinator before starting the project.

Mid-Term Evaluation

Mid-Term Evaluation will be implement during ongoing project. Incoming coordinator may visit theproject or doing the online mid-term evaluation with volunteers and hosting organization.

Evaluation

Volunteers need to fill in evaluation form online while finishing the project or after project as well as sendthe report in any media favorite, story telling, video clip, picture, info-graphic, cartoon, etc.

STARTING THE PROJECT

VSA starts the project beginning of every month by On 5 days arrival orientation. So volunteers are expected to arrive 1st of every month to start the project except the Education project that the duration depends on school semester. Most Thai schools in primary - high school start 1st semester in Mid-May to September, October is school holidays. The 2nd semester starts from November to mid-March, Mid-March to Mid-May is summer vacation (Summer in Thailand is March to May). So the education project will start respectively by school semester. 1 year volunteers are expected to arrive 1st May to prepare themselves, adapt to new place and prepare for non-formal education learning before school starts.

Visa

Volunteers will apply for Non-Immigrant Type O for Charity work in Thailand. Most Volunteers will receive 90 days and the visa can be extended at the Thai embassy in Neighbor countries.

VSA will provide all document you need to apply visa.
Cooking

Visa Exemption and Visa on Arrival to Thailand

STARTING THE PROJECT

Host Family

Most of the VSA project, volunteers will stay with host families except in the education project volunteers will stay in teacher houses or school accommodation in the school. The basic facilities will be provided (Bed, Fan, toiletry, washing machine, etc.)

Cooking

Volunteers are expected to cook with host family or in the school accommodation. Lunch will be at the project side. Host family and school will prepare ingredients for volunteers in the refrigerator in their accommodation.

Internet and Communication

In every hosting project has the internet in the organization to volunteer and can use wifi during working. Most of the public places such as cafe, shopping centers have free internet connection provided.

You will be able to organize a Thai Sim Card at the Orientation meeting.

Why Fee?

VSA is not financially supported by the government to host projects related to IVS. Hence all projects are self-funded with a participation fee. Given the remote locations and various complexities we have tried our best to make it as affordable as possible for volunteers. Being a non-profit organization, we emphasize on transparency, below is how we spend collected participation fees.

- Food, accommodation and logistics of volunteer during workcamp
- Project setup costs. (material and logistics cost)
- Running the camp. (wages of professionals like mason, carpenter, plumber etc.), and training local youth will be supported by us.)
- Office running/admin expenses. (Internet, photocopy, stationary, electricity, phone, salaries, office equip-ment, tools and rent etc.)
- Supporting small community projects.
- International travel costs to global conferences and membership fee for networking.
