VENUE

Youth Hostel Schaan/Vaduz
Under Rüttigass 6, 9494 Schaan, Liechtenstein

We will be staying at the youth hostel in Schaan/Vaduz.

Accommodation will be in shared rooms, separated by gender. Most of our meals will also be provided at the hostel, which offers several cosy spaces to hang out and relax. Bathrooms and showers are individual and private.

The skate park is only about a 6-minute walk away, and the outdoor swimming pool is also close by.

The location is very central – you can reach everything on foot! :)

The workshops will take place at different locations around the area.

Good to know

In July, Liechtenstein enjoys warm summer weather with temperatures around 21-25°C during the day and cooler nights around 10-14°C. Occasional rain is possible, so pack both light clothes and a rain jacket (packing list will follow).

The currency is CHF (Swiss Franc).
You can pay almost everywhere by card, and Euros are often accepted too – especially in tourist areas.
