Volunteer Opportunity:

Volunteer at an educational farm in NL

Join the European Solidarity Corps at SIW International
SIW is seeking a friendly volunteer for a one-year ESC project in an educational farm in the north. You will guide kids in working on the farm, helping them reintegrate into social society while taking care of animals, garden en the farm together

What You'll Do

- Educational activities with the children
- Animal care
- Gardening and harvesting fruit&veggies
- Farm maintenance
- Social activities within the village
- Personal development

When?

1-6-25 to 31-5-26

WHAT WE OFFER

- **Accommodation:** Private bedroom in a chalet on the farm, kitchen and bathroom are shared with 1 roommate
- **Location:** Drogeham is a small village in the north of NL
- **Food & Pocket Money:** Food costs covered, with pocket money provided.
- **Travel Costs:** Refund for travel expenses to and from the project.
- **Self-Development:** Half a day per week is dedicated to personal growth, including Dutch language training and e-learning.
- **Training:** On-arrival and mid-term training with other ESC volunteers across the Netherlands.
- **Mentorship:** Regular meetings with your mentor and coordinator to help guide your experience.

WHAT WE'RE SEEKING

You:

- **are interested in farming, working with animals, sustainable building, and children**
- **don't mind rolling up your sleeves and doing physical work**
- **take initiative and are able to work independently**
- **can provide a Code of Conduct**
- **enjoy the rural countryside lifestyle and are proactive in building a social life**

APPLICATION

You can apply by sending your CV and motivation before May 19 via the [Youth Portal](#) or via your send organisation if your country is not listed
