Location: Pamplona, Norte de Santander, Colombia

Dates: 20.07.2026 - 07.08.2026

Project overview

Age: 18+

Number of volunteers: 10 participants (5 male + 5 female)

Language required: English

Nearest airport: Camilo Daza International Airport (CUC – Cúcuta)

Nearest bus station: Pamplona Transportation Terminal

Extra fee: No extra fee

Accessible access for people with reduced mobility: No

Work

Volunteers will work **4 to 6 hours per day**, supporting medical missions organized by the **University of Pamplona** in different communities. They will help prepare community spaces, organize and distribute materials, and support basic logistics during the activities.

Volunteers will also assist in simple health-promotion and recreational activities with the local team, including helping with setup, attendance control, and basic photo or video support.

Accommodation and food

Volunteers will stay in shared accommodation provided by the **University of Pamplona**.

They will receive at least **three meals per day**. Groceries will be provided and volunteers will prepare their own **breakfast and dinner** at the accommodation, while **lunch will be served daily at the university cafeteria**.

Location and leisure

Pamplona is known as the “City of a Thousand Titles” due to its many historical nicknames, including: City of the Mitre, The Athens of the North, City of the Mists, Pamplonilla la Loca, Student City, Patriotic City, The Very Noble and Loyal City, and City of Ursúa.

Located at an average altitude of **2,342 meters above sea level**, Pamplona has a cool mountain climate, with temperatures ranging between **12°C and 22°C**.

It is widely recognized as a university city with strong cultural and academic traditions. Its colonial architectural heritage, including churches and historic buildings, gives it significant cultural value.

Must-visit places include:

- Águeda Gallardo Park
- Santa Clara Cathedral
- Ramírez Villamizar Museum of Modern Art
- Colonial House Museum
- The Giant Hand Viewpoint

The closest major cities are **Cúcuta** and **Bucaramanga**.

Volunteers will have time to explore Pamplona’s Andean landscapes, experience local traditions and build meaningful connections with the community.

Project partner

This project is carried out in cooperation with the **University of Pamplona**.

The University of Pamplona is a public university founded in 1960. Today, it serves around **30,000 students** and offers more than **78 academic programs**, including undergraduate and postgraduate studies.

Its main campuses are located in **Pamplona** and **Villa del Rosario**, and it offers programs in areas such as health, engineering, education, agriculture, and social sciences.

WECO2026-3 LOST IN THE CLOUD FOREST

Name: Lost in the Cloud Forest

Code: WECO2026-3

Type of work: ENVI / MANU / CHIL

Location: Bogotá, Colombia

Dates: 09.11.2026 - 20.11.2026

Project overview

Age: 18+

Number of volunteers: 10 participants (5 male + 5 female)

Language required: English

Nearest airport: El Dorado International Airport (BOG – Bogotá)

Nearest bus station: Bogotá Transportation Terminal

Extra fee: 250 EUR

Accessible access for people with reduced mobility: No

Work

Volunteers will help plan and carry out different activities to support the park's environmental and community projects.

The tasks may include:

- Creating sculptures
- Taking care of vegetable gardens
- Helping in the greenhouse
- Making compost
- Removing weeds
- Planting trees
- Cleaning the lagoon inside the park
- Doing small repairs at a nearby school
- Organizing games and fun activities for school children

Activities may change depending on the park's needs and the weather during the program.

Accommodation and food

The accommodation is a nice and cozy house only for the volunteers in the middle of the natural park.

Volunteers will cook together. This is a perfect space to share recipes and have a culinary cultural exchange. Shopping is organized by the leader(s) and the park, and the volunteers might help. Vegetarian food options are also available.

Please do not expect expensive/special ingredients (olive oil, nuts, etc), but the Colombian cuisine is rich in fruits, vegetables and 3x a week there will be meat in the menu.

The water heater depends on the availability of gas. On some occasions, hot showers might not be available, but in general there is hot water available.

Please bring a sleeping bag.

There is a laundry to wash your clothes.

Location and leisure

During your volunteering you will try some typical dishes from the region and do activities such as walks through the reserve, zip-lining and the KYE MUYSUA, an ancestral experience workshop: Weaving under the tree of dreams in the company of Andean music, meditation and fire.

This natural park is an Andean cloud forest, in the middle of the mountains; therefore it can be cold and rainy, depending on the season of the year. The park is located close to Bogotá (1 hour approx.) where you can find many places to enjoy the Colombian culture.

In case you do not want to leave the park, we have some activities that you can do in your free time such as:

- Night walks and wildlife watching (there is a guided tour on weekends)
- Trekking inside and outside the park (e.g. visiting other village on trails)
- Extreme sport and wellness activities: zip line, tree climbing, music therapy (must be agreed in advance with the areas, the park does not cover the cost of this activity)
- Horseback riding (must be agreed in advance with the areas, the park does not cover the cost of this activity)
- Bonfires
- Birdwatching

Project partner

This project will be carried out in cooperation with a natural park, located near Bogotá, between **2.100m and 2.600m above sea level.**

Meeting point

In Bogota. The exact meeting point will be given in the infosheet some weeks before your arrival.

Requirements

- Volunteers must have **medical assistance insurance**.
- As confirmation of participation, volunteers are required to send their **travel tickets no later than 45 days before** the project start date.
- The extra fee: 250 EUR
- The extra fee must be paid 1 month prior to the project starting via bank transfer or Paypal.
- After applying, please complete the following form: <https://forms.gle/ruCp9WtsJYA7qWuo6>

Remarks

- There is limited Wi-Fi (because there is only satellite internet in this remote area). It may only be used for basic needs, such as communication (some calls, messages, mails) and information (research, press), but not for large downloads, videos, streaming (music or movies), video calls, etc.
- Extra fee: 250 EUR includes pick up at the meeting point, T-shirt, food, accommodation, 1x zip-line, KYE MUYSUA (ancestral experience) and certificate of participation.
- To enter Colombia, you must have a return ticket or a ticket that shows you are leaving Colombia.
- The activities require constant contact with nature; this means that the volunteer will be finding himself/herself using physical strength and getting his/her hands dirty to get the job done. It is good to know and understand that you can encounter rain, sun, mud and insects. In addition, to carry out the activities it is necessary to walk the different trails, which have steep slopes. Therefore, volunteers should be in good health and willing to walk the different trails.

WECO2026-MTV1 VOLUNTEER IN A CLOUD FOREST

Name: Volunteer in a Cloud Forest

Code: WECO2026-MTV1

Type of work: ENVI / CHIL / CONS

Location: Bogotá, Colombia

Dates: 01.06.2026 - 31.12.2027

Project overview

Age: 18 - 65

Number of volunteers: 2 participants

Language required: Spanish

Nearest airport: El Dorado International Airport (BOG – Bogotá)

Nearest bus station: Bogotá Transportation Terminal

Extra fee: 80 EUR / month

Work

The Natural Park is a natural reserve that has two lines of volunteering, the first is focused on conservation and its activities are aimed at caring for and protecting the environment, and the second aims at education with children, an alternative school and learning community in the heart of the reserve. As a volunteer you can work in the line that you like the most, having the possibility of working in both lines if you wish. The activities carried out in volunteering are the following:

1. Accompany and assist investigations carried out in the reserve
2. Maintenance of different spots, such as the small lake "laguna", forest nursery, organic gardens, trails and infrastructure
3. Environmental education
4. Waste and compost management
5. Support in reforestation-restoration work (planting days)
6. Accompany the local, learning community's activities (accompany walks with the children, starting new projects, accompany learning processes, play...)
7. Language classes with the children (according to the language(s) the volunteer knows)
8. Suggest, develop and carry out new initiatives and projects
9. Other activities according to the skills and abilities of the volunteer and according to the needs of the natural park and community living there

Food and accomodation

The volunteer house is located in the heart of a nature park. It has 2 shared rooms with beds available for 4 people individually and one double bed for a couple. There is also a bathroom, an equipped kitchen, a small living room, terrace and washing machine. The house is not always fully occupied. It may happen that you are the only volunteer, depending on the time of year.

Each volunteer who stays for at least two months is assigned a monthly budget to buy food according to his/her diet; the amount is enough to buy basic food in the local market. The volunteers are responsible for cooking their own meals, this is a perfect space to share recipes and carry out a culinary cultural exchange. Vegetarian food is available.

Local Host

This project will be carried out in cooperation with a natural park, located near Bogotá, between 2.100m and 2.600m above sea level.

Meeting point

Volunteers need to arrive directly at the park.

Remarks

- Good health and physical condition, willing to hike the mountain on steep slopes, and understand the implications of working outdoors.
- Minimum intermediate Spanish (English is a plus)
- Tetanus Vaccine (highly recommended)
- Minimum 2 months, maximum 6 months
- The extra fee must be paid at the latest 1 month prior to the project starting via bank transfer, Paypal or Debit/Credit card.
- Interview with our local partner via zoom in Spanish.

WECO2026-MTV2 LET'S SPEAK ENGLISH (2ND SEMESTER)

Name: Let's Speak English (2nd semester)

Code: WECO2026-MTV2

Type of work: EDU / CHIL / SOCI

Location: Medellín, Colombia

Dates: 13.07.2026 - 20.11.2026

Project overview

Age: 18+

Number of volunteers: 4 participants

Language required: English / Spanish

Nearest airport: José María Córdova International Airport (MDE – Medellín)

Nearest bus station: Medellín Transportation Terminal

Extra fee: 80 EUR / month

Work

As a volunteer, you will teach English for about 20-25 hours each week. Most of your teaching will be in a local primary school, working alongside a local teacher. You'll also get help from different professionals to plan your lessons.

There is a total of 4 schools, with 2 in Medellín and 2 in El Carmen de Viboral. Volunteers will be placed in one of these schools to teach.

With your support in teaching English you can contribute to the foundation's purpose of reducing inequality in Colombia.

Help us achieve the national goal of being a bilingual country and train children to be global citizens!

Food and accomodation

The volunteer receives monthly \$1.900 000 COP (approx. 420 EUR) for accommodation, transportation and food. The local foundation will help you finding an accommodation.

Local Host

This project will be carried out in cooperation with a non-profit organization whose volunteer program is an opportunity to support public institutions and rural educational institutions in Medellín and El Carmen de Viboral.

Meeting point

Volunteers need to arrive directly at the foundation.

Remarks

- Interview with our local partner via zoom in Spanish.
- A fun, sociable, reliable profile with some teaching/leading groups experience.
- Preferably teaching experience in any area and/or volunteering.
- Language: intermediate Spanish and advance English
- The volunteer is needed to stay the whole duration of the program (4 months).
- The extra fee must be paid at the latest 1 month prior to the project starting via bank transfer, Paypal or Debit/Credit card.

WECO2026-MTV4 SEEDS OF LOVE

Name: Seeds of Love
Code: WECO2026-MTV4
Type of work: EDU / CHIL / SOCI
Location: Medellín, Colombia
Dates: 01.03.2026 - 31.12.2026

Project overview

Age: 18 - 40
Number of volunteers: 2 participants
Language required: Spanish
Nearest airport: José María Córdova International Airport (MDE – Medellín)
Nearest bus station: Medellín Transportation Terminal
Extra fee: 150 EUR / month

Work

Volunteers will plan and lead different activities for children and teenagers.

The work includes:

- Organizing workshops and activities on education, culture, arts and sports.
- Planning and leading lessons.
- Spending time with children: playing, talking, and being a good role model.
- Helping with content for social media, communication campaigns and fundraising.

Volunteers work 5 days a week (5–6 hours per day), depending on the activities. The foundation is open to new ideas and suggestions.

Note: Activities may change depending on the foundation's program, weather, or other factors.

Food and accomodation

Volunteers will stay at the foundation, so they will share spaces with the children. However, there is a separate room for volunteers. No transport is needed.

The accommodation is safe and comfortable, with shared rooms, bathrooms, a kitchen, and common areas. It includes Wi-Fi, cleaning and laundry.

The local foundation provides at least 3 meals a day. There is no vegetarian menu, but the volunteers can remove the protein from the daily menu or prepare their own food.

Local Host

This program will be carried out in collaboration with a non-profit foundation in Medellín. Its main goal is to improve the quality of life of children and teenagers in vulnerable situations.

Meeting point

Volunteers need to arrive directly at the foundation.

Remarks

- Minimum 2 months, maximum 6 months
- Language: Basic/intermediate Spanish.
- Criminal record.
- Interview with WeCollab and the local partner.
- The extra fee for the whole duration must be paid 1 month prior to the project starting via bank transfer, debit/credit card or Paypal.
